

I would like to introduce you to one of Ottawa's most popular dance, party bands:

The Disco Inferno Band!

Formed almost 25 years ago, Ottawa's Disco Inferno Band Canada is composed of ten highly seasoned musicians who capture the undeniable and contagious sound and rhythm of the 70's disco era.

Whether they're revisiting the funky sounds of Earth Wind and Fire, the smooth harmonies of the Bee Gees, the undeniable iconic hits of Donna Summer, to mention a few, you won't find yourself sitting down when you witness a Disco Inferno Band's performance.

The group is a high energy, premiere 70's showband performing across Ontario and Quebec. Past shows include The Gatineau Hot Air Balloon Fest, world renown Lac Lemay International Fireworks Closing Ceremony, and The Ferguslea Properties Ltd. Ottawa Senators Soirée.

The Disco Inferno Band has accompanied such as renowned artists as: Nanette Workman, George Thurston (Boule Noir), Nancy Dumais, Jodie Rhester and Martin Stevens.

It is clear that through its members' demonstration of talent, energy and dynamics, The Disco Inferno Band Canada is a tantamount towards an event's success.
